LAW DAY
MOOT COURT COMPETITION

The Law Day Moot Court Competition brings together high school students from across the State to showcase their oral advocacy skills and test their understanding of cutting-edge legal questions. By focusing on the applicability of current legal issues to the high school setting, this competition provides students with a unique opportunity to strengthen their reasoning skills and increase their understanding of the Constitution and the judicial system. Hosted annually by the North Carolina Bar Association’s Young Lawyers Division, this competition introduces competitors to contemporary legal topics. All high school students are welcome to register and compete.

We encourage first time student and coaches to attend. No prior experience with moot court, mock trial, debate, or any public speaking is necessary in order to successfully participate in the competition. Homeschooled students are welcomed and encouraged to attend as well.
