Program includes the 2020 Administrative Law and Government & Public Sector Sections Annual Meetings
Program Summary

Shine a light on topics relevant to your public sector or administrative practice in this joint CLE offering from the Administrative Law and Government & Public Sector sections.

Whether you need to focus in on recent regulatory reform bills and other legislation impacting public sector work, direct a beam on recent cases concerning attorney’s fees, or pierce through the clouds around redistricting in North Carolina, this program packs a bright spotlight.

The day also includes an enlightening opportunity to learn more about North Carolina Supreme Court practice and procedure, provide a “guiding light” to employment law developments, and focus a beacon on social media use and its collection in the public sector.

What People Are Saying...

One of the best CLEs I have attended in a long time. You put together a phenomenal group of speakers. All experts on the topic.

Good overall subject and speakers!
