Running your practice in MS 365 (with some help)

A low-angle, close-up shot of a person's legs and feet as they run on a track. The runner is wearing dark-colored athletic shoes with a prominent, light-colored, grid-patterned sole. The background is heavily blurred with horizontal streaks of light and color, suggesting high speed and motion. The lighting is bright, likely from a low sun, creating a warm, golden glow. A dark grey rectangular overlay covers the left side of the image, containing white text and a plus sign.

Running your practice in Google Workspace

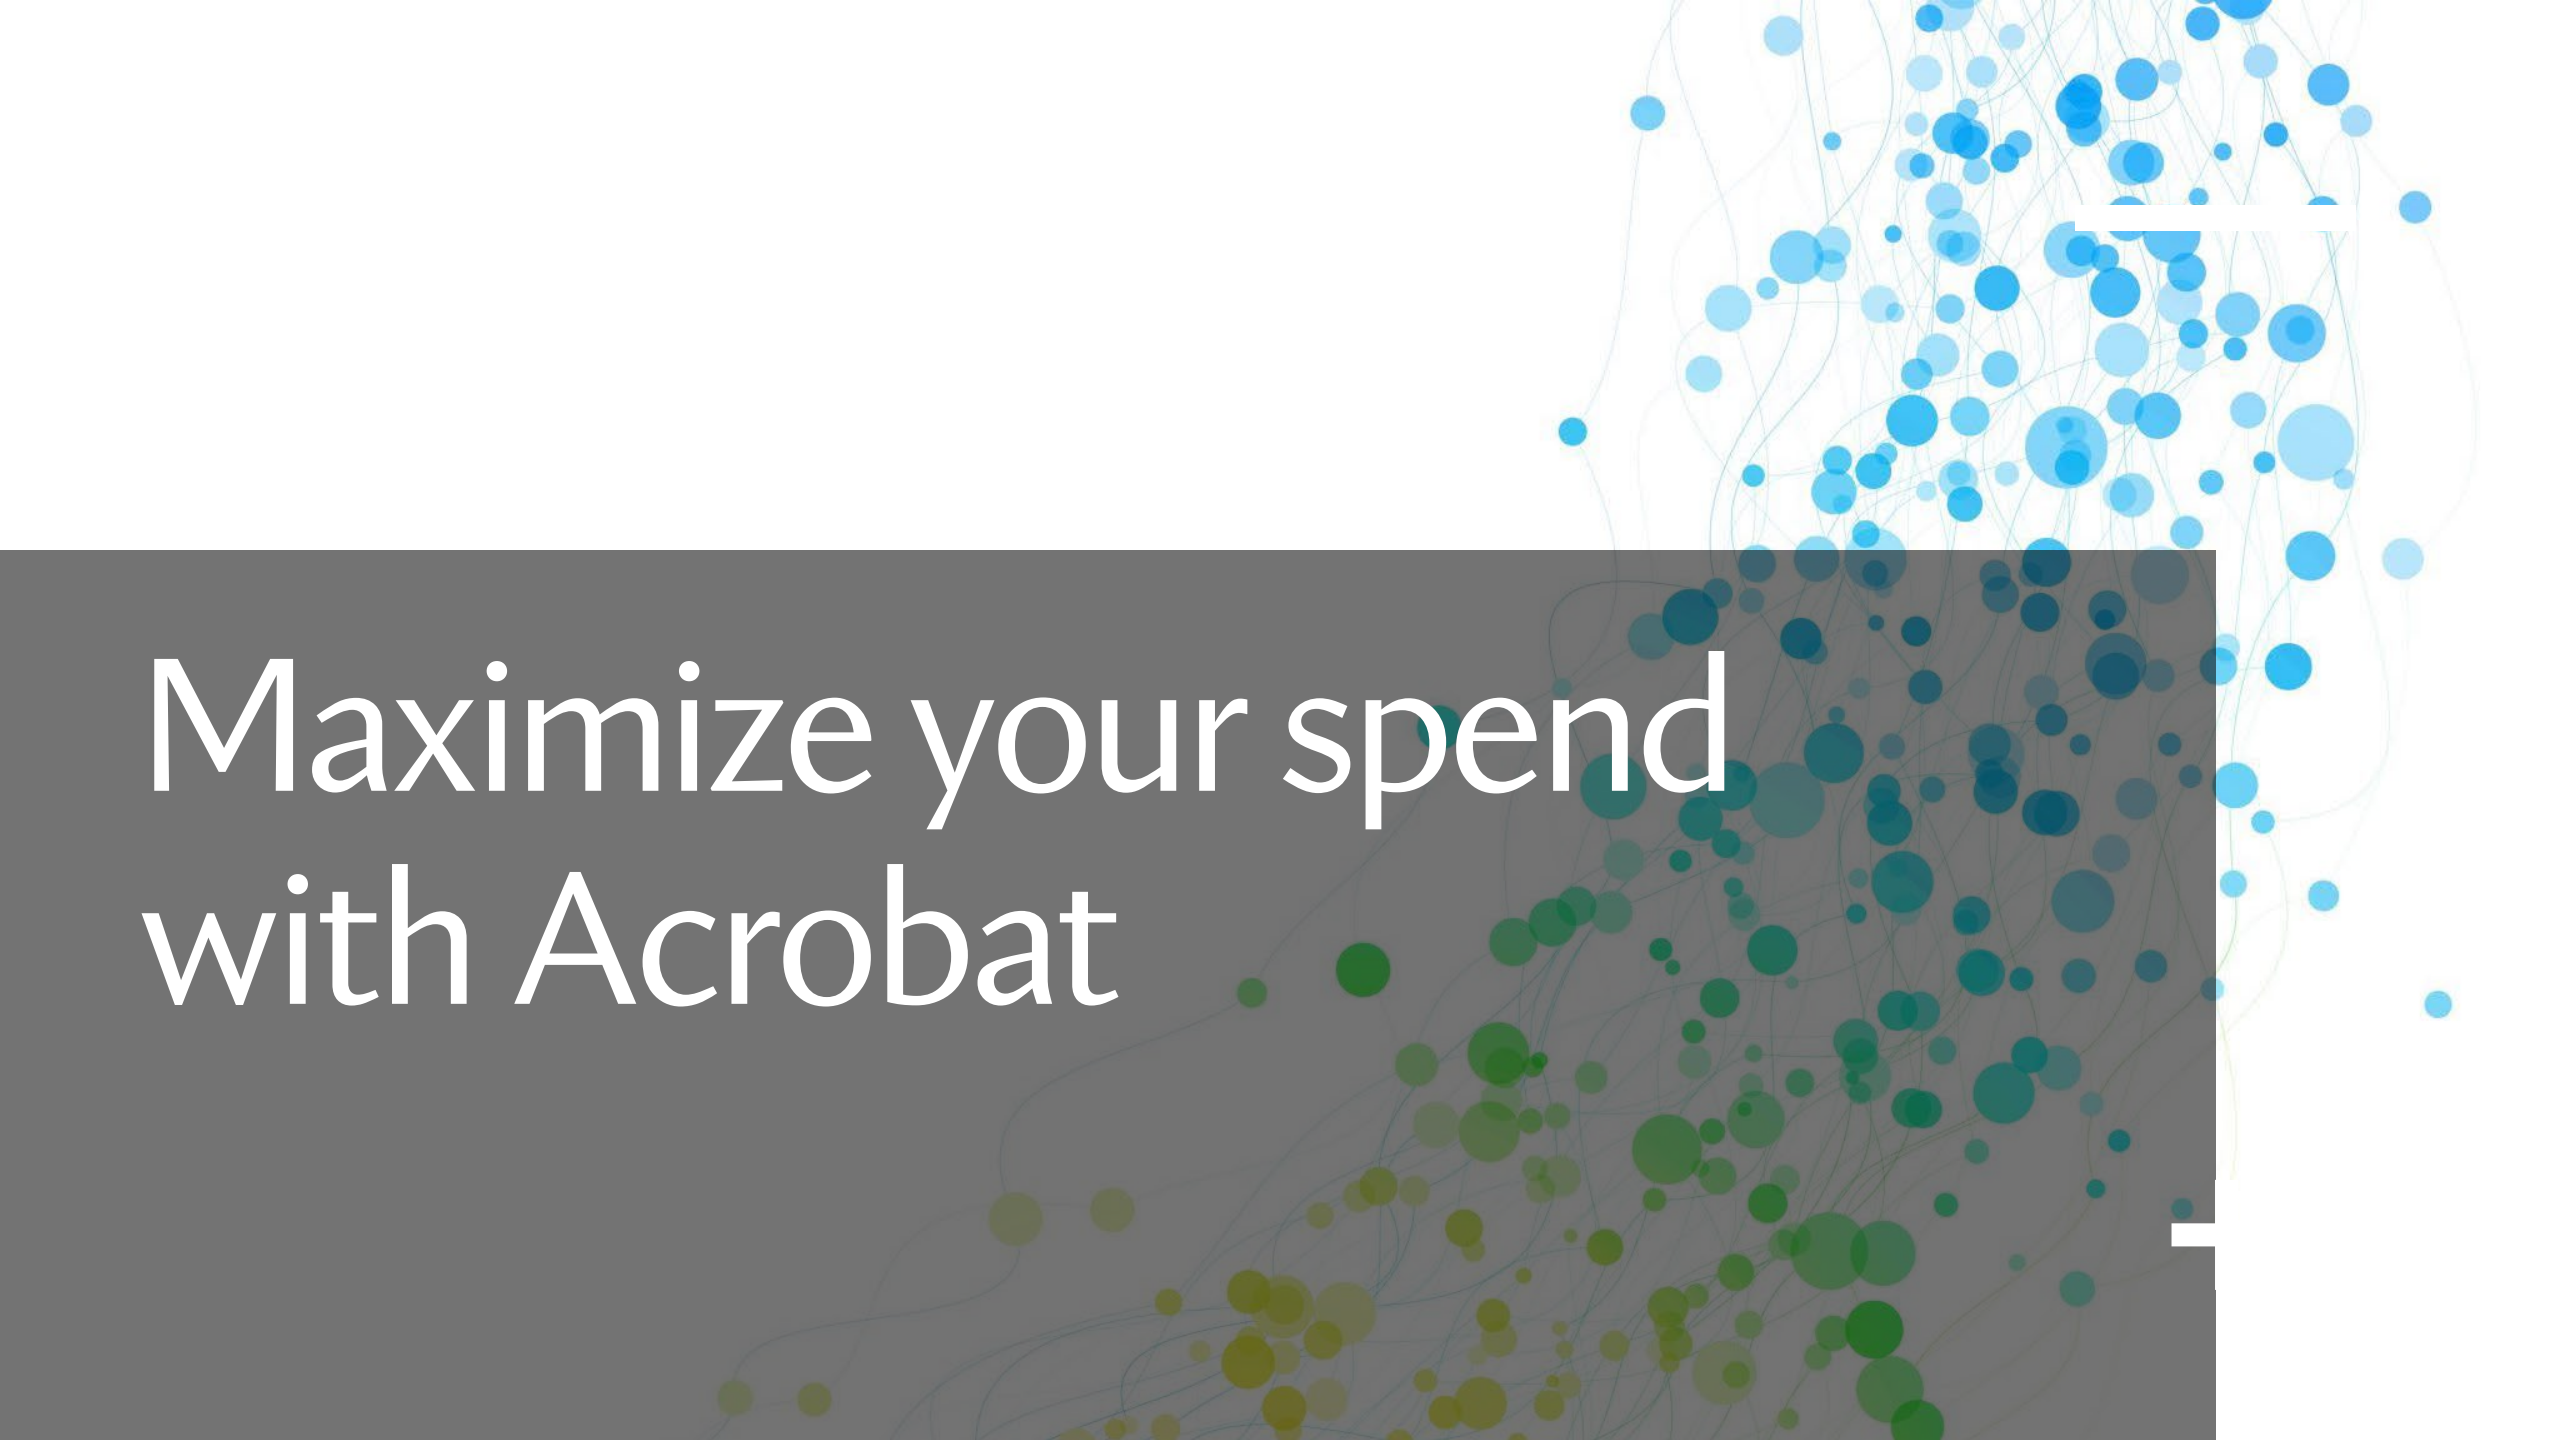

A close-up photograph of a person's hands holding a fan of color swatches. The swatches are arranged in a fan shape, showing a gradient of colors from light pink to dark red. The person is wearing a red watch on their left wrist. In the background, another person's hands are visible, resting on a table. The table is covered with various design materials, including a blue pen, a yellow sticky note, and other color swatches. A dark grey semi-transparent banner is overlaid on the bottom half of the image, containing the text "Acrobat alternatives" and a white plus sign.

Acrobat alternatives

Zoho accounting

The background features a complex network of thin, light-colored lines connecting various sized circles. The circles are colored in shades of blue and green, with a gradient from light blue at the top to dark green at the bottom. The overall effect is a dynamic, interconnected pattern.
